The industry standard vehicle matrix

All Europcar vehicles are classified by an ACRISS code. The four-letter ACRISS code describes the vehicle class, the vehicle type, the fuel type and whether the vehicle is equipped with air-conditioning or not. Using this Vehicle Matrix, you can easily figure out the ACRISS code and book the right car.

General Information

How to use this Directory

Look for the section corresponding to the country/territory where the vehicle is to be rented.

Countries are listed in alphabetical order. See the page "How to read this directory" where an enlargement of a typical country section is shown for your guidance, as well as the meanings of the abbreviations used.

Required rental qualifications

Driver(s) personal qualification

Each driver must present a driving licence in her/his name valid in the country of rental (driving licences in characters not readable in the country of rental must be accompanied by an International Driving Licence) held for a minimum period of time depending on local legislation or conditions; (s)he must also meet the age requirements applicable into in that country for the vehicle category considered.

Check under paragraphs Age and Driving Licence of the appropriate country section and have this information reconfirmed by your Europcar Reservation Centre at time of reservation.

Financial qualification

The payment of the estimated rental charges and of the possible charges resulting from damage to or loss of the rented vehicle must be warranted at time of rental.

- Europcar charge cards and Full Credit vouchers are accepted throughout the network ; on their own, they permit the rental of most vehicle categories.
- Credit cards are accepted within the limits authorised by the credit card company ; as certain cards are not accepted in every country, we recommend you check the Credit Cards Accepted section of the country of rental.
- Europcar prepaid vouchers (with a specified value or the mention Group Days Apply) are accepted as means of payment of the rental charges, but they must be accompanied by a credit card for the charges which have not been prepaid (extras, refuelling charge, excess due in case of damage to or loss of the rented vehicle).
- Cash/cheques : only the lowest vehicle categories may be rented against cash or cheque payment ; **an additional reference is required** and a deposit covering the estimated rental charges and the accident/ theft excess has to be paid in advance

Protections

The application of the following protections is subject to a number of conditions, indicated in the General Terms and Conditions of each country, to which reference should be made.

• Damage (bodily injury or property) caused to third parties

Insurance coverage of the above risks is included in the rates. The level of coverage provided depends on local legislation and markets. Our reservation offices will be happy to provide you with information on the level of coverage in a particular country.

• Personal Accident Insurance (PAI)

This optional cover is available in most of the network and is particularly recommended for the driver, who would not be covered by the rental vehicle's Third Party Liability policy for Death or Permanent Disability occurring as a result of an accident (s)he causes herself/himself.

• Damage to or loss of the rental vehicle: CDW (Collision Damage Waiver) - LDW (Loss and Damage Waiver) - TW (Theft Waiver)

Unless Europcar is able to recover the cost of its damages from an identified liable Third Party, the renter/driver is liable for all damages to or loss of the vehicle occurring during the course of the rental. This liability can generally be waived against payment of a fixed charge per rental day.

It should, however, be noted that for those renters who have taken out such protection, a residual non-waivable amount will be applied in the event of damage to or loss of the vehicle.

Certain countries may offer total suppression of the non-waivable amount against payment of an additional charge.

The Reservations Office will be happy to provide you with the corresponding information.

Vehicles - Fuel - Maintenance

- All types of vehicles may not be available at all stations ; advance reservations are therefore recommended.
- Most of our rates do not include fuel. Vehicles are supplied with a full tank of fuel and our customer must pay for any fuel missing at the end of a rental.
- Normal maintenance, oil and lubrication are included in the rates. Incurred roadside expenses which have been approved by a Europcar station will be refunded upon presentation of the original receipts.

Restrictions of use

We recommend you check at time of reservation or at the start of rental the countries to which the vehicle may not be taken.

The relevant paragraph of the country section concerned may provide this information as well as other restrictions if any.

Chauffeur driven and other services

Whenever Chauffeur Drive is offered, this is mentioned in the paragraph "Chauffeur Drive Service" under the country concerned.

In a few countries, vans, trucks or coaches are available for rent. Check "Other Services" under the country section concerned.

Allgemeine Informationen

Benutzung des Worldwide Directories

Alle Länder mit Europcar Niederlassung sind in alphabetischer Reihenfolge aufgeführt.

Ein Beispiel und die Liste der verwendeten Abkürzungen finden Sie auf der Seite ["Wie man dieses Directory benutzt"](#).

Allgemeine Vermietbedingungen

Berechtigte(r) Fahrer

Jeder Fahrer muß einen im Anmietland gültigen Führerschein vorlegen, der seit einer bestimmten Zeit gültig ist, abhängig von den Ländergesetzen und den jeweiligen Vermietbedingungen. Für im Anmietland nicht lesbare Führerscheine, muß zusätzlich ein Internationaler Führerschein vorgelegt werden. Es gelten die im Land gültigen und die für die Wagengruppe festgelegten Altersbestimmungen. Bitte sehen Sie in den Rubriken "Age und Driving Licence" der entsprechenden Länderrubrik nach und lassen Sie sich diese Informationen bei der Reservierung von der Europcar Reservierungszentrale bestätigen.

Zahlungsweise

Bei der Anmietung muß eine Anzahlung in Höhe des zu erwartenden Endpreises und der Kosten, die durch eine eventuelle Beschädigung oder Diebstahl des Fahrzeuges entstehen können, hinterlegt werden.

- Kreditkarten
Die in der jeweiligen Länderrubrik aufgeführten Kreditkarten werden innerhalb des von der Kreditkartengesellschaft genehmigten Limits akzeptiert. Bitte bei Reservierung bestätigen lassen.
- Europcar Prepaid Vouchers (über einen bestimmten Betrag oder mit der Anmerkung "Group/Days apply") werden als Zahlungsmittel für eine bestimmte Reservierung anerkannt.
Alle nicht mit dem Voucher im voraus bezahlten Kosten müssen mit einer Kreditkarte bezahlt werden (Extras, Kraftstoff, zusätzliche Kosten im Falle eines Schadens oder bei Diebstahl des Mietwagens).
- Bargeld
Nur die kleinsten Fahrzeuggruppen können mit Bargeld gemietet werden. Eine weitere Referenz ist erforderlich und eine Kaution in der Höhe des zu erwartenden Endpreises plus eine zusätzliche Gebühr für Unfall und Diebstahl muß vorab bezahlt werden.

Versicherungen und Sonstige Deckungen

Folgender Versicherungsschutz ist mit gewissen Bedingungen verbunden und muß im Zusammenhang mit den allgemeinen Vermietbedingungen des jeweiligen Landes gelesen werden.

• Körper- oder Sachschäden an Dritte. (Haftpflichtschaden)

Diese Deckung ist ohne Aufpreis in den Kosten jeder Miete enthalten. Die genaue Deckungshöhe ist von Land zu Land verschieden. Unsere Reservierungszentrale informiert Sie gerne, welche Deckungssummen in dem jeweiligen Land gelten.

• Insassenunfallversicherung (PAI)

Diese fakultative Deckung wird in den meisten Stationen angeboten und wird für den Fahrer, der durch die Haftpflichtpolice des Fahrzeuges nicht gedeckt wird, sehr empfohlen.

• Schäden am oder Verlust des Mietfahrzeuges (CDW)

Der Mieter und / oder Fahrer haftet für alle Schäden oder für den Verlust des Fahrzeuges, die sich während der Miete ergeben, es sei denn, Europcar ist in der Lage, die Kosten der Schäden oder des Verlustes des gemieteten Fahrzeuges von einem verantwortlichen Dritten zurückzubekommen. Diese Haftung kann in der Regel gegen Zahlung eines festgelegten Betrags pro Miettag ausgeschlossen werden.

Bedenken Sie aber, daß für Mieter, die eine Deckung zum Fahrzeug abgeschlossen haben, trotzdem eine Restbeteiligung im Falle von Schäden am Fahrzeug oder seines Verlustes berechnet wird.

Einige Länder bieten, gegen Aufpreis, eine Zusatzdeckung an, wodurch die Restbeteiligung völlig entfällt. Die Reservierungszentrale kann Ihnen hierzu die entsprechenden Auskünfte erteilen.

Fahrzeuge - Kraftstoff - Wartung

- Nicht alle Fahrzeugtypen stehen an jeder Station zur Verfügung. Wir empfehlen daher vorherige Reservierung.
- Kraftstoff ist meistens nicht im Preis inbegriffen. Die Fahrzeuge werden mit vollem Tank vermietet und unsere Kunden müssen die eventuelle Differenz bei Abgabe des Fahrzeuges am Ende der Miete bezahlen. In einigen Ländern wird eine zusätzliche Gebühr für das Tanken erhoben.
- Normale Wartung, Öl und Schmiermittel sind im Preis enthalten. Eventuelle Reparaturen, die notwendig werden, um die Betriebs- und Verkehrssicherheit des Fahrzeuges zu gewährleisten und die vorher von der Europcar Station genehmigt wurden, werden bei Vorlage der Original Rechnung rückerstattet.

Einreisebeschränkungen

Bitte überprüfen Sie bei der Reservierung oder bei Mietbeginn, in welche Länder das Fahrzeug nicht eingeführt werden darf. Der entsprechende Absatz der Länderrubrik kann diese Information sowie andere Einschränkungen, falls vorhanden, enthalten.

Fahrzeuge mit Chauffeur und andere Dienstleistungen

Sollten Fahrzeuge mit Chauffeur-Service angeboten werden, ist dies unter der Rubrik "Chauffeur Driven Service" im entsprechenden Land vermerkt. In einigen Ländern werden auch Lieferwagen, Lkws oder Busse vermietet. Bitte sehen Sie unter "Other Services" in der Länderrubrik nach.

Informations Générales

Comment utiliser cet annuaire ?

Se référer au pays ou territoire du lieu de location du véhicule. Les pays sont classés par ordre alphabétique.

Consultez la page [Guide d'utilisation de cet annuaire](#) qui vous indique la signification des diverses rubriques et des abréviations utilisées.

Conditions requises

Concernant le(s) conducteur(s)

Chaque conducteur doit présenter un permis de conduire à son nom valable dans le pays (les permis en caractères non lisibles dans le pays de location doivent être accompagnés d'un Permis de Conduire International) et valide depuis une durée minimum dépendant des conditions générales du pays de location; il doit aussi satisfaire aux conditions d'âge en vigueur dans le pays pour la catégorie de véhicule considérée.

Vérifier la rubrique "Age et Driving Licence" du pays de location et faire reconfirmer par votre bureau de réservation Europcar lors de la réservation.

Concernant les moyens de paiement

Le paiement du montant estimé de la location et des débits éventuels en cas de dommages au véhicule loué ou de son vol doit être garanti en début de location.

- Les cartes accréditatives et les vouchers Plein Crédit Europcar sont honorés dans tout le réseau; ils permettent de louer la plupart des catégories de véhicules.
- Les cartes de crédit sont acceptées dans la limite du montant autorisé par l'émetteur de la carte considérée ; certaines cartes de crédit n'étant pas acceptées dans tous les pays, nous conseillons de vérifier préalablement la rubrique "Credit Cards Accepted" du pays de location.
- Les vouchers Europcar prépayés (avec une valeur spécifiée ou avec la mention "Group Days Apply") sont acceptés en paiement d'une location, mais doivent être accompagnés d'une carte de crédit pour le règlement des sommes non prépayées (jours additionnels, carburant, franchise accident ou vol).
- Chèques/espèces : ne permettent de louer que les catégories économiques; une caution couvrant le montant estimé de la location et la franchise accident / vol est payable au départ et des éléments de qualification complémentaires sont également demandés

Responsabilités - Options Proposées

Le bénéfice des dispositions ci-dessous est soumis à un certain nombre de conditions figurant dans les Conditions Générales de Location de chaque pays, auxquelles on doit se référer.

• Dommages causés aux tiers (corporels ou matériels)

L'assurance contre ce risque est comprise dans nos prix. Le niveau de la couverture fournie varie selon les pays en fonction notamment de la législation locale. Votre bureau de réservation Europcar peut vous renseigner sur les pays qui vous intéressent.

• Assurance Personnes Transportées (PAI)

Cette couverture optionnelle est proposée dans la plus grande partie de notre réseau. Elle est particulièrement recommandée pour le conducteur, lequel n'est pas couvert en qualité de tiers en cas d'un accident dont il serait l'auteur.

• Dommages au véhicule loué : CDW (Collision Damage Waiver : dégâts matériels) - LDW (Loss and Damage Waiver : perte et dégâts matériels) - TW (Theft Waiver : vol).

A moins qu'Europcar puisse récupérer le coût des dommages auprès d'un tiers identifié, le conducteur/locataire est responsable de tous les dommages au véhicule loué ou de sa perte survenant au cours de la location. Il peut généralement s'exonérer de cette responsabilité contre paiement en début de location d'un supplément par journée de location.

Il faut noter cependant que même lorsque ces options sont retenues, une franchise résiduelle non rachetable s'applique en cas de dommage au véhicule loué ou de sa disparition.

Certains pays peuvent proposer, moyennant un supplément, la suppression totale de la franchise résiduelle.

Renseignez-vous auprès de la Centrale de Réservations.

Véhicule - Carburant - Entretien

- Tous les types de véhicules ne sont pas disponibles dans toutes nos agences; il est donc recommandé de réserver à l'avance.
- La plupart de nos tarifs n'incluent pas le carburant.
Au départ de la location, les véhicules sont fournis avec le plein, et au retour le client doit payer le complément manquant.
- Le coût de l'entretien du véhicule est inclus dans nos prix. Les frais de cette nature payés par les clients sont remboursables contre présentation de la facture acquittée s'ils ont été autorisés préalablement par une agence Europcar.

Restrictions d'utilisation

Vérifiez lors de la réservation ou de la location quels sont les pays autres que le pays de location où le véhicule peut être conduit.

La rubrique "Restrictions of Use" du pays de location vous précise cette information ainsi que les autres restrictions éventuelles à la conduite de nos véhicules.

Location avec chauffeur - Autres services

Se référer à la rubrique "Chauffeur Drive Service" éventuelle du pays concerné. Dans certains pays, des minibus, des camions ou des cars sont proposés à la location; veuillez vous référer à la rubrique "Other Services" du pays considéré.
